Alhambra, CA • (714) 677-7616 • chrstr0812@gmail.com

PROFESSIONAL SUMMARY

Detail-oriented professional with a Bachelor's degree in Computer Information Systems and extensive experience in data entry, inventory management, record keeping, and documentation across IT, retail, and business operations. Known for precision, process consistency, and maintaining clean, audit-ready records in fast-paced environments. Actively seeking a Data Entry or Administrative Assistant role.

EDUCATION

BACHELOR OF SCIENCE IN COMPUTER INFORMATION SYSTEMS Feb 2021 – May 2023
California State Polytechnic University, Pomona *Pomona, CA*

EMPLOYMENT HISTORY

INFORMATION TECHNOLOGY SUPPORT TECHNICIAN (CONTRACT) Apr 2026 – Jun 2026
LA County *Los Angeles, CA*

- Tracked and recorded IT equipment assignments across the organization, maintaining accurate inventory logs ready for leadership audits and compliance reporting.
- Logged and managed technical issues in an enterprise ticketing system, ensuring complete, up-to-date records from intake through resolution.
- Maintained structured documentation workflows so records remained consistent, accessible, and error-free across the team.

SPECIALIST Aug 2025 – Feb 2026
Apple Store *Pasadena, CA*

- Kept detailed, organized records of customer cases and device issues, enabling seamless team handoffs and ensuring no case information was lost between team members.
- Entered and updated customer and product information accurately into internal systems daily, maintaining data integrity across shared platforms.
- Maintained high accuracy and attention to detail while managing a high daily volume of customer interactions and documentation entries.
- Trained new team members on documentation standards, improving consistency across all team records.

TECH CONSULTANT Sep 2024 – Sep 2025
Target Corp. *Alhambra, CA*

- Maintained accurate inventory records for high-value electronics, performing regular audits to catch discrepancies and ensure stock counts stayed reliable.
- Processed and tracked product data using inventory management software, supporting accurate stock management and reporting.
- Documented customer device issues and resolutions to support team knowledge sharing and reduce repeat inquiries.

MANAGER May 2022 – Aug 2024
Tick Tick Times Nails & Spa *Monterey Park, CA*

- Managed day-to-day business records, staff scheduling data, and administrative documentation, keeping operations organized and running efficiently.
- Reviewed operational data and identified process inefficiencies, implementing workflow improvements that reduced wait times during peak hours.

- Analyzed team productivity metrics to adjust scheduling, resulting in improved output and higher client satisfaction.
