Alhambra, CA • (714) 677-7616 • chrstr0812@gmail.com

PROFESSIONAL SUMMARY

IT Support professional with a Bachelor's degree in Computer Information Systems and hands-on experience in help desk support, hardware/software troubleshooting, asset management, and enterprise ticketing systems. Proven ability to support end-users in fast-paced environments, resolve technical issues efficiently, and maintain accurate documentation. Actively seeking an IT Support Technician or Help Desk role.

EDUCATION

BACHELOR OF SCIENCE IN COMPUTER INFORMATION SYSTEMS Feb 2021 – May 2023
California State Polytechnic University, Pomona *Pomona, CA*

EMPLOYMENT HISTORY

INFORMATION TECHNOLOGY SUPPORT TECHNICIAN (CONTRACT) Apr 2026 – Jun 2026
LA County *Los Angeles, CA*

- Supported government end-users in a Windows-based environment, resolving hardware, software, and connectivity issues through an enterprise ticketing system with thorough documentation from intake to close.
- Performed password resets and basic account access troubleshooting, minimizing downtime for staff across multiple departments.
- Deployed and maintained office equipment and mobile devices for staff, keeping teams equipped with reliable, up-to-date technology.
- Managed IT asset inventory with audit-ready accuracy, tracking equipment assignments and maintaining records for leadership reporting.

SPECIALIST Aug 2025 – Feb 2026
Apple Store *Pasadena, CA*

- Diagnosed and resolved hardware and software issues for a high volume of customers daily, applying systematic root-cause analysis to deliver reliable solutions.
- Trained new team members on troubleshooting best practices, improving team consistency and confidence in resolving technical issues independently.
- Guided customers through device setup and feature walkthroughs, reducing repeat support requests and improving first-contact resolution.
- Maintained detailed case documentation so any team member could pick up an open issue without losing context or continuity.

TECH CONSULTANT Sep 2024 – Sep 2025
Target Corp. *Alhambra, CA*

- Served as the primary resource for customer device troubleshooting, reducing product returns through clear diagnosis and end-user education.
- Maintained accurate inventory records for high-value electronics, catching discrepancies early and keeping stock counts reliable.
- Identified customer technical needs and recommended appropriate solutions, contributing to stronger department performance.

MANAGER May 2022 – Aug 2024
Tick Tick Times Nails & Spa *Monterey Park, CA*

- Kept business operations running smoothly by quickly resolving system and connectivity issues, resolving 90% of problems the same day they arose.
- Reviewed team workflows and adjusted processes to reduce bottlenecks and improve operational efficiency during peak hours.
